REMARKS

Applicants have reviewed the Office Action of December 29, 2005. The indication of allowed claims and allowable subject matter is gratefully appreciated. The claim amendments merely rewrite objected to claims in independent form or to depend from allowed claims. Applicants reserve to right to pursue the rejected claims by way of a continuation application.

All formal and informal matters having been addressed, the application is in condition for allowance. Early notice to that effect is earnestly solicited.

Respectfully submitted,
